Identify (a) each asset held for investment or production of income with a fair market value exceeding $1,000 at the end of the reporting period, and (b) any other asset or source of income which generated more than $200 in "unearned" income during the year. For rental property or land, provide an address. Provide full names of any mutual funds. For a self-directed IRA (i.e., one where you have the power to select the specific investments), provide information on *each asset* in the account that exceeds the reporting threshold, and the income earned for the account. For an IRA or retirement plan that is not self-directed, name the institution holding the account and provide its value at the end of the reporting period. For an active business that is not publicly traded, in Block A state the nature of the business and its geographic location. For additional information, see the instruction booklet for the reporting year.

Exclude: Your personal residence(s) (unless there is rental income); any debt owed to you by your spouse, or by your or your spouse's child, parent, or sibling; any deposits totaling $5,000 or less in personal savings accounts; any financial interest in or income derived from U.S. Government retirement programs.

If you so choose, you may indicate that an asset or income source is that of your spouse (SP) or dependent child (DC) or is jointly held (JT), in the optional column on the far left.

BLOCK A

Asset and/or Income Source

Identify (a) each asset held for investment or production of income with a fair market value exceeding $1,000 at the end of the reporting period, and (b) any other asset or source of income which generated more than $200 in "unearned" income during the year. For rental property or land, provide an address. Provide full names of any mutual funds. For a self-directed IRA (i.e., one where you have the power to select the specific investments), provide information on *each asset* in the account that exceeds the reporting threshold, and the income earned for the account. For an IRA or retirement plan that is not self-directed, name the institution holding the account and provide its value at the end of the reporting period. For an active business that is not publicly traded, in Block A state the nature of the business and its geographic location. For additional information, see the instruction booklet for the reporting year.

Exclude: Your personal residence(s) (unless there is rental income); any debt owed to you by your spouse, or by your or your spouse's child, parent, or sibling; any deposits totaling $5,000 or less in personal savings accounts; any financial interest in or income derived from U.S. Government retirement programs.

If you so choose, you may indicate that an asset or income source is that of your spouse (SP) or dependent child (DC) or is jointly held (JT), in the optional column on the far left.

BLOCK B

Value of Asset

at close of reporting year.

If you use a valuation method other than fair market value, please specify the method used.

If an asset was sold and is included only because it generated income, the value should be "None."

BLOCK C

Type of Income

BLOCK D

Amount of Income

For retirement plans or accounts that do not allow you to choose specific investments, you may write "NA" for income. For all other assets, indicate the category of income by checking the appropriate box below. Dividends, even if reinvested, should be listed as income.

BLOCK E

Transaction

Indicate if asset was purchased (P), sold (S), or exchanged (E) in reporting year.

BLOCK A

Asset and/or Income Source

Identify (a) each asset held for investment or production of income with a fair market value exceeding $1,000 at the end of the reporting period, and (b) any other asset or source of income which generated more than $200 in "unearned" income during the year. For rental property or land, provide an address. Provide full names of any mutual funds. For a self-directed IRA (i.e., one where you have the power to select the specific investments), provide information on *each asset* in the account that exceeds the reporting threshold, and the income earned for the account. For an IRA or retirement plan that is not self-directed, name the institution holding the account and provide its value at the end of the reporting period. For an active business that is not publicly traded, in Block A state the nature of the business and its geographic location. For additional information, see the instruction booklet for the reporting year.

Exclude: Your personal residence(s) (unless there is rental income); any debt owed to you by your spouse, or by your or your spouse's child, parent, or sibling; any deposits totaling $5,000 or less in personal savings accounts; any financial interest in or income derived from U.S. Government retirement programs.

If you so choose, you may indicate that an asset or income source is that of your spouse (SP) or dependent child (DC) or is jointly held (JT), in the optional column on the far left.

Identify (a) each asset held for investment or production of income with a fair market value exceeding $1,000 at the end of the reporting period, and (b) any other asset or source of income which generated more than $200 in "unearned" income during the year. For rental property or land, provide an address. Provide full names of any mutual funds. For an IRA or retirement plan that is not self-directed, name the institution holding the account and provide its value at the end of the reporting period. For an active business that is not publicly traded, in Block A state the nature of the business and its geographic location. For additional information, see the instruction booklet for the reporting year.

Exclude: Your personal residence(s) (unless there is rental income); any debt owed to you by your spouse, or by your or your spouse's child, parent, or sibling; any deposits totaling $5,000 or less in personal savings accounts; any financial interest in or income derived from U.S. Government retirement programs.

If you so choose, you may indicate that an asset or income source is that of your spouse (SP) or dependent child (DC) or is jointly held (JT), in the optional column on the far left.

Identify (a) each asset held for investment or production of income with a fair market value exceeding $1,000 at the end of the reporting period, and (b) any other asset or source of income which generated more than $200 in "unearned" income during the year. For rental property or land, provide an address. Provide full names of any mutual funds. For a self-directed IRA (i.e., one where you have the power to select the specific investments), provide information on *each asset* in the account that exceeds the reporting threshold, and the income earned for the account. For an IRA or retirement plan that is not self-directed, name the institution holding the account and provide its value at the end of the reporting period. For an active business that is not publicly traded, in Block A state the nature of the business and its geographic location. For additional information, see the instruction booklet for the reporting year.

Exclude: Your personal residence(s) (unless there is rental income); any debt owed to you by your spouse, or by your or your spouse's child, parent, or sibling; any deposits totaling $5,000 or less in personal savings accounts; any financial interest in or income derived from U.S. Government retirement programs.

If you so choose, you may indicate that an asset or income source is that of your spouse (SP) or dependent child (DC) or is jointly held (JT), in the optional column on the far left.

BLOCK B

If you use a valuation method other than fair market value, please specify the method used.

Financial Disclosure Statement

Disclosure Regarding Limited Partnership Interests and Use of Alternative Valuation Methods:

Two basic methods have been used to determine the value of each partnership interest. These methods differ as a result of the information available at the date of filing.

Method 1

Where market value statements were available, the value was determined by applying the ownership percentage of the reporting individual to the total value of the capital account reserved for limited partners. Method 1 was implemented with regard to Patricof Private Investment Club LP, Patricof Private Investment Club II LP, Rhone Partners LP, Selectinvest LP, Pilgrim America High Income, Women's Growth Capital Fund I LLLP and Lakes Investment LLC.

Method 2

In some cases market value financial statements were not available. Accordingly, the ending capital balance for the reporting individual was used to value the partnership interest. This method was applied with regard to Beta Hedge LP, Greenbriar Equity Funds LP, JBG Investment Fund I LP, Peabody International Real Estate Partners LLC, Premier Pacific Vineyards LP, Surviving Selma Company LLC, Taconic Capital Partners LP and TWP CEO Founders Circle Fund.

For an active business that is not publicly traded, in Block A state the nature of the business and its geographic location. For additional information, see the instruction booklet for the reporting year.

Exclude: Your personal residence(s) (unless there is rental income); any debt owed to you by your spouse, or by your or your spouse's child, parent, or sibling; any deposits totaling $5,000 or less in personal savings accounts; any financial interest in or income derived from U.S. Government retirement programs.

The Hon. Jeff Trandahl
Office of the Clerk
H-154 Capitol
Washington, DC 20515-6601

Dear Mr. Trandahl:

It has been brought to my attention that the manner in which I disclosed several privately sponsored trips on my 2001 Financial Disclosure Report is unclear. I am writing today to amend that report in an effort to clarify the nature and sponsorship of those trips.

Center for Middle East Peace, 5/26 - 6/4:

Although the trip totaled 10 days of travel, the days of May 26 and June 4 were devoted in full to trans-Atlantic travel. During the trip, three half-days were devoted to travel between countries within the Middle East: Cairo to Beirut on May 28; Beirut to Damascus on May 29; and Damascus to Amman on May 31. The total number of days of privately sponsored travel in a foreign country was six and one-half.

Aspen Institute, 8/19 - 8/29
International Management and Development Institute, 8/30 - 9/3:

The trip to Helsinki sponsored by the Congressional Program of the Aspen Institute convened on August 19 and continued through August 26. Following the Helsinki conference, I traveled at personal expense from August 27 - 29. My financial disclosure form inaccurately attributed the three days of personal travel to the IMDI trip when they should have been attributed to the Aspen Institute's portion of the trip.

From August 30 through September 3, I traveled to Prague and then Madrid at the expense of the International Management and Development Institute. IMDI paid for my travel within Europe.

When I returned to the United States from Madrid on September 3, my plane ticket was paid for by the Aspen Institute, as part of the round-trip ticket package it had purchased for me for its conference in Helsinki.

LEGISLATIVE RESOURCE CENTER

I hope that this amendment sufficiently clarifies my travel on these dates. If you have any questions, please feel free to contact me or my chief of staff, Wendy Darwell, at 202-225-6335.

Best regards.

Sincerely,

Maurice D. Hinchey

	BLOCK A **Asset and/or Income Source** Identify (a) each asset held for investment or production of income with a fair market value exceeding $1,000 at the end of the reporting period, and (b) any other asset or source of income which generated more than $200 in "unearned" income during the year. For rental property or land, provide an address. Provide full names of any mutual funds. For a self directed IRA (i.e., one where you have the power to select the specific investments) provide information on each asset in the account that exceeds the reporting threshold and the income earned for the account. For an IRA or retirement plan that is not self-directed, name the institution holding the account and provide its value at the end of the reporting period. For an active business that is not publicly traded, in Block A state the nature of the business and its geographic location. For additional information, see instruction booklet for the reporting year. Exclude: Your personal residence(s) (unless there is rental income); any debt owed to you by your spouse, or by your or your spouse's child, parent, or sibling; any deposits totaling $5,000 or less in personal savings accounts; any financial interest in or income derived from U.S. Government retirement programs. If you so choose, you may indicate that an asset or income source is that of your spouse (SP) or dependent child (DC) or is jointly held (JT), in the optional column on the far left.	BLOCK B **Year-End Value of Asset** at close of reporting year. If you use a valuation method other than fair market value, please specify the method used. If an asset was sold and is included only because it is generated income, the value should be "None."	BLOCK C **Type of Income** If other than one of the listed categories, specify the type of income by writing a brief description in this block. (For example: Partnership Income or Farm Income)	BLOCK D **Amount of Income** For retirement plans or accounts that do not allow you to choose specific investments, you may write "NA" for income. For all other assets, indicate the category of income by checking the appropriate box below. Dividends, even if reinvested, should be listed as income.	BLOCK E **Transaction** Indicate if asset was purchased (P), sold (S), or exchanged (E) in reporting year.
